Abbott, Dr. W. L., birds collected by 597
mammals collected by 533
on natural history of Indian Ocean Islands 759
reptiles collected by . 711
Abitites Linkii 268
Ablepharus boutonii poecilopleurus 722
gloriosus, new subspecies.... 723
poecilopleurus..... 762
Acanthonychinæ, subfamily 231
Acanthopneuste borealis..... 636
xanthodryas 636
tenellipes..... 636
Accentor erythropygius 631
Accipiter pallens, new species..... 625
velox..... 521
Acmæidæ from Galapagos Islands..... 402
Acræidæ from West Africa..... 570
Acridiidæ from West Africa 580
Actæa rufopunctata 536
Actinauge, genus of Actiniæ..... 183
fastigata, new name..... 187
Verrillii, new name 184
Actinernus, characters of..... 165
plebeius, new species 166
Actinia infecunda, new name 146
Actiniæ, bibliography of..... 210
classification of..... 134
new species of..... 136
of *Albatross* explorations..... 119
Actiniaria, geographical distribution of. 204
Actinostola, characters of..... 167
callosa..... 167, 209
excelsa, new species..... 170
pergamentacea, new species..... 171
Actinozoa, classification of 119
Actitis macularia..... 526
Adamsia, genus 182
involvens, new species..... 182
Adelonycteris, characters of..... 28
Adler, Dr. Cyrus, on the shofar..... 287
Ægialitis collaris 526
vocifera..... 526
Ægocera venulia 572
Æstrelata brevipes..... 619
hypoleuca..... 619
longirostris 618
Africa, crustaceans from 535
East, reptiles and batrachians from 711

Page.

Africa, myriapoda from..... 703
new species of snakes from 709
West, molluska from 317
Agama colonorum..... 717
Agassiz, Alexander 455
Agelaius phœniceus 496
Agonostomus, Central American species of 58
Alaska, birds in..... 663
Albatross, collections by 71
explorations 663
Actiniæ of..... 119
crabs from..... 223
Diatomaceæ of... 303
dredging stations of..... 452
molluska of..... 353
pteropods and heteropods of.. 451
Albers, Von Marten, on Galapagos molusks..... 407
Alcidæ of Alaska 663
Alcedinidæ, from Mexico..... 785
Nicaragua 510
Aldabra Islands, birds from..... 597
mammals from 533
natural history of..... 759
reptiles from 711
Algansea, Mexican species of 55
Allen, Harrison, on North American bats 1-28
Allen, Dr. J. A 689, 691
Alydus, synonymical notes on 49
conspersus, description of 49
Ajaja ajaja..... 527
Amaltheidæ from Galapagos Islands 401
from West Africa..... 335
Amazilia beryllina..... 784
fuscicaudata..... 517
Amazona finschi..... 786
salvini 519
Amblycercus holosericeus 494
Amiurus, Mexican species of 54
Amphipoda 541
Amphispiza bilineata..... 779
Ampullariidæ, from West Africa..... 343
Anableps, Central America species of... 57
Anas discors..... 53
Anasimus rostratus, new species 227
Anatidæ from Mexico 789
from Nicaragua 531
Ancey's Galapagos species of shells 410
Ancostoma cinereigulare..... 505
Anemonia inequalis, new species 149

	Page.
Anemonia variabilis	147, 208
Anguidæ from Mexico	41
Anguispira	744
Anhingidæ from Nicaragua	532
Anomia adamus from Galapagos Island	371
Anomiidæ from Galapagos Island	371
Anomura from Africa	539
Antheadæ family of actiniæ	146
Anthicidæ from West Africa	576
Antholoba, genus	164
reticulata	164
Antrostomus saturatus	614
Anthozoa, classification of	119
Antrozous, characters of	28, 29
Anura from Mexico	39
Antomolus pallidigularis	497
Aphelocoma cyanotis	781
Apidæ from West Africa	566
Aplysiidæ from California	341
from West Africa	325
Apoda	738
Apodidæ from Africa	541
Arachnida from West Africa	586
Ara macao	519
militaris	519, 786
Aramidæ from Nicaragua	528
Aramides plumbeicollis	528
Araneæ, new genus and species of	587
Arbelorhina cyanea	487
lucida	488
Arca (Byssoarca) solida	373
Archæopteryx, bony structure of wings	26
Ardea, species of, from Nicaragua	527
Ardea tricolor ruficollis	527
Ardeidæ from Mexico	788
from Nicaragua	527
Ardetta exilis	788
Arionta	750
Arremon aurantiirostris	490
Artibeus, characters of	28
measurement of membranes	7
Asilidæ from West Africa	572
Assumption Islands, description of	763
natural history of	759
Asthenognathinæ, subfamily	251
Astronotus, Central American species of	58
Atalapha, characters of	28
Atherinidæ, Central American genera of	58
Atlanta, species of, collected by *Albatross*	463
Atlanta peronii	457
Atractaspis rostrata	735
Attila citriopygius	509
Attidæ, from West Africa	586
Australia, crabs from	83, 98
Aviculidæ, from Galapagos Islands	372

B.

Baiomys, new subgenus	758
Baldwin, A. H	63
Banks, Nathan, on Arachnida	586
Bartramia longicaudus	526
Basileuterus leucopygius	485
rufifrons jouyi	777
Batrachia	737
Batrachians and reptiles, new species from Mexico	37
Bats, coloration of	12
characters of external ear	8
characters of wing membrane in flight	3
fruit, new species	533
genera of North American	28
general plan of anterior extremities	25
hair characteristics	11
measurements of membranes of	7
membranes of, Allen on	1
new species of	533
North American, Allen on	1-28
plan of bony structure of wings	25
posterior limbs of	21
ribs of	16
secondary skin developments	10
sesamoid bones of	19
skeleton characteristics	13
skin characteristics	12
skull characteristics	13
sternum and anterior limbs	16
teeth characteristics	26
vertebral column of	15
Baur, Dr., quoted	357
Bean, Tarleton H., on new blennoid fish	699
Bering Straits, crabs from	97
Belenogaster	567
Bell, Prof. Jeffrey	208
Belonesox, Central American species of	57
Belostomatidæ from West Africa	579
Benedict, James E., on African crustaceans	535
Bibliography of Actiniæ	210
Birds, bony structure of wings of	26
from Central Mexico, Jouy on	771
from Nicaragua	479
new species of	43, 469, 479, 597, 687
new subspecies of	691
Blakiston, Captain, birds collected by	217
Blatchley, W. S., on Mexican batrachians and reptiles	37
Blattidæ from West Africa	579
Bœdon geometricus	727
lineatus	727
Bolocera brevicornis, new species	158, 209
occidua, new species	154
pannosa, new species	156
Boloceridæ, characters of	153
Bombus	566
Bombycidæ from West Africa	572
Botaurus lentiginosus	788
Bourke, Capt. J. G	220
Brachynotus (Heterograpsus) jouyi, new species	247
Brachyphylla, measurement of membranes	7
Brachyphyllum texense, new species	269
Brachyura from west coast of Africa	535
Bramocharax, Central American species of	56
Brandt, quoted	97
Brotogeris jugularis	519
Brown, Arthur H	317, 535
Brown, W. Harvey, of African expedition	317, 535
Brycon, Central American species of	56
Bubo virginianus subarcticus	787

Page.

Bubonidæ from Alaska 664
from Mexico 787
from Nicaragua 520
Buccinidæ from Galapagos Islands 389
from West Africa 329
from Nicaragua 512
Bucco dysoni 513
Buchanga aldabrana, new species 507
Bufo intermedius from Mexico 39
regularis 737
Bufonidæ from Mexico 39
Bulimulidæ 751
Bulimulus 640, 751
from Galapagos Island 376
artemesia 642
Baileyi 640
Bryanti 645
californicus 641
dealbatus 751
excelsus 643
inscendens 643
montezuma 640
nux 376
pallidior 640
pilula 646
spirifer 644
sufflatus 646
Veseyianus 645
Xantusi 641
Zeledoni 644
Bulla punctulata 376
Buller, Dr. A. C., mammals collected by 689
Bullidæ from West Africa 324
Bulweria bulweri 620
Bunodidæ, family of 194
Buprestidæ from West Africa 575
Busarellus nigricollis 522
Butastur indicus 624
Buteo borealis calurus 787
brachyurus 522
latissimus 522
Buthraupis cæruleigularis, new species 609

C.

Cairina moschata 531
Calappidæ, new species of 252
Calcinus sulcatus 539
California, Gulf of, molluska from 341
new blennoid fish from 699
new genera of crabs from 226
new insecta from 52
new species of lizard from 467
rare molluska from 344
throwing-sticks from 219
Callinectes from Africa 536
Callipepla gambeli 790
Calliste larvata 488
Callothrus robustus 496
Calocitta colliei 782
Calvert, P. P., on African insects 582
Calyptræidæ from Galapagos Island 398
from West Africa 314
Cambarus pellucidus testii, new subspecies 283
Camp, J. H., snakes collected by 769

Page.

Campephilus guatemalensis 518
Camponotus fulvipectus 568
Cancellariidæ from West Africa 328
Cancridæ from Africa 536
new species of 236
Cape de Verde Islands, crabs from 98
Caprimulgidæ from Mexico 785
from Nicaragua 515
Capsiempis flaveola 595
Carabidæ from West Africa 573
Carcinoplax dentatus, new species 243
Cardinalis cardinalis canicaudus 779
Carlita (Venericardia) flammea 374
Cardium consors 375
Carinaria, collected by *Albatross* 463
Carpenter, Dr., list of Galapagos molluska by 405
Carpodacus cassini 780
Carpodectes nitidus 509
Carpolithus Harveyi, new species 278
obovatus, new species 278
Casmaria vibex 348
Cassicus microrhynchus 495
Cassididæ from Galapagos Islands 394
from Lower California 348
Cassidix oryzivora 496
Casts, gelatin, J. W. Scollick on 61
Cathariata atrata 522
Cathartes aura 522
Cathartidæ from Nicaragua 522
Catharus melpomene clarus, new subspecies 773
Catoglyphis viatica 568
Catostomidæ, Central American species of 55
Causus nasalis, new species 735
rhombeatus 735
Cavolina, illustrations of 406
gibbosa 409
quadridentata 459
Calvolinidæ of Albatross explorations 452
Celeus castaneus 518
Central America, fresh-water fishes of 53
mammals from 689
Cephalopoda 755
from West Africa 339
Ceophlœus scapularis 518
Cerambycidæ from West Africa 577
Cercomacra tyrannina 501
Cerianthæ, characters of 201
distribution of 206
Cerianthus vas, new species 202
Cerithiidæ from Galapagos Islands 396
from West Africa 332
Cerithiopsidæ from Galapagos Islands 395
Cerithium cymatophorum, new species 475
Certhia familiaris Mexicana 776
Certhiidæ from Central Mexico 776
Ceryle alcyon 511
amazona 511
americana septentrionalis 511, 785
inda 512
superciliosa stictoptera 511
torquata 510
Chætura cinereiventris guianensis 516
gaumeri 516
lawrencei, new species of swift 43

	Page.
Chama	753
arcinella	753
echinata	375
Chamæleo operi	724
taitensis	724
tigris	724
Chamidæ	753
Chanler, William Astor, African reptiles collected by	711
Characinidæ, Central American species of	55
Characodon, Central American species of	56
Charadriidæ from Nicaragua	526
Chatelaine, Heli, Myriapoda collected by	703
Cheiroptera, North American	1-28
Cheilidon erythrogaster	486
Cherrie, George K., birds collected by	44
Chicoreus Lecanus	346
palma-rosæ Mexicana	345
Chilonycteris, measurement of membranes	7
China, crabs from	95
Chione, species of, from Galapagos Islands	375
Chionœcetes Behringianus	96
opilio, distribution of	74
tanneri, new species	76, 104
Chirostoma, Central American species of	58
Chiton, species of, from Galapagos Islands	404
Chitonanthus, new genus	189, 209
pectinatus	190
Chlorinoides, species of, in National Museum	83
Chloronerpes yucatanensis	518
Chlorophanes spiza	487
Chlorostilbon auriceps	784
Chlorostoma gallina multifilosa, description of	351
Chondractininæ, subfamily	183
Chonophorus, Central American species of	60
Chordeiles texensis	785
virginianus henryi	515
Chrysididæ from West Africa	568
Chrysomelidæ from West Africa	577
Cichlidæ, Central American genera of	58
Cicindelidæ from West Africa	573
Ciconia nigra	622
Ciconiidæ from Nicaragua	526
Circus hudsonius	521, 787
Cistelidæ from West Africa	576
Clibanarius	539
Clio, illustrations of	466
species of, collected by Albatross	453, 461
Clover, Lieut. Commander Richardson	472
Coal in Arctic Siberia	472
Coccinellidæ from West Africa	578
Coccyzus minor	518
Cochlearia zeledoni	527
Cochlearidæ from Nicaragua	527
Cœligena clemenciæ	784
Cœlocerus grandis, new species	79, 104
Cœrebra mexicana	488
Cœrebidæ from Nicaragua	487
Coleman, A. P	591
Coleoptera from West Africa	573
Colias electra	589
Colinus graysoni	790
Collins, G. N., on African Myriapoda	703
Collodes tenuirostris, new species	230
Colombia, new species of insect from	47
Columba intermedia	624
leucoptera	789
nigrirostris	522
rufina	523
speciosa	523
Columbellidæ from Galapagos Islands	390
from West Africa	329
Columbidæ from Mexico	789
from Nicaragua	522
Columbigallina passerina pallescens	523
Compsothlypis americana	484
Condylactis, characters of	150
cruentata	150
Congo, Africa, snakes from	709
Conidæ from West Africa	328
Conocephalidæ from West Africa	580
Conopidæ from West Africa	573
Contopus brachytarsus	507
virens	507
Conurus aztec	519
finschi	519
petzii	786
Conus, species of, from Galapagos Islands	384
Conus okhotensis, new species	475
Cook, O. F., on African Myriapoda	703
Cookson, Commander, shells collected by	407
Copurus leuconotus	504
Corallimorphidæ, characters of	198
Corallimorphus profundus	199
Coreidæ from West Africa	578
Corvidæ from Alaska	664
from Central Mexico	781
Corvus mexicanus	782
Corynorhinus, characters of	28, 29
Cosmopepla, classification of species of	46
Montandon on	45
cœruleata, new species	47
Uhleri, new species	48
Costa Rica, collection of birds from	479, 667
new species of bird from	44
Cotingidæ from Central Mexico	783
from Nicaragua	507
Coturnix coturnix japonica	623
Conesius greeni, new species	313
Crabs from Australia	98
from North Pacific	97
family Mailidæ, catalogue of	63
new genera and species of	223
Cracidæ from Nicaragua	523
Cradactis, new genus	197
digitata, new species	198
Crayfishes, blind, new species of	283
Crax globicera	524
Crepidula aculeata	401
Crocodylus niloticus from Africa	713
Crotaphopeltis hotambœia	728
Crotophaga sulcirostris	517, 786
Crucibulum imbricatum	398
Crustaceans from west coast of Africa	525

	Page.
Cryptophrys, new genus	250
concharum, new species	250
Crypturus pileatus	525
Ctenoiulus, new genus	704
chatelainei, new species	705
Cuculidæ from Mexico	786
from Nicaragua	517
Cuculus kelungensis	627
Cuvier, cited	120
on name of tunnies	604
Cyanocitta stelleri macrolopha	781
Cyanomyia ellioti	781
Cyanomyia violiceps	784
Cyanoptila bella	632
Cycadeospermum rotundatum	278
Cyclammina of *Albatross* explorations	457
Cyclax (Cyclomaia) suborbicularis, figure of	104
Cycloxanthus californiensis, new species	237
Cydrela brunnea, new species	588
maculata, new species	588
Cymbactis, new genus	174
fæculenta, new species	174
Cymbilanius lineatus fasciatus	498, 499
Cymopolia fragilis, new species	259
zonata, new species	259
Cymbuliidæ of *Albatross* explorations	452
Cynopterus, measurement of membranes	7
Cypræidæ from California	348
from Galapagos Islands	394
from West Africa	332
Cyprinidæ, Mexican species of	55
Cyprinodontidæ, Central American genera of	56
Cyprinoid fish, new species of	313
Cypseloides cherriei, new species of swift	44
Cyrtomaia smithi, new species	228
Cyrtonyx montezumæ	790
Cythara densistriata	387

D.

Dacuis ultramarina	487
Dafila acuta	531
Dakota, explorations by Lieut. Warren in	33
fossil plants from	35
Dall, William Healy	353, 595, 639
crabs collected by	225
on *Albatross* collection of mollusca	417
on fauna of Arctic Siberia	471
Danaidæ from West Africa	570
Dasypeltis abyssina	733
palmarum	733
Dasypterus, characters of	28
Davidson, Prof. George	368
Dawson, Sir William	105
Deltarhynchus	606
Demiegretta ringeri	622
Dendrocincla anabatina	498
olivacea	498
Dendrocolaptis sancti-thomæ	498
Dendrocolaptidæ from Mexico	784
from Nicaragua	497
Dendrocoris pini, new species	51
Dendrocygna autumnalis	531
Dendroica æstiva	484
æstiva sonorana	777
auduboni	777
coronata	484
dominica albilora	484, 777
graciæ	777
maculosa	484
pensylvanica	484
virens	777
Dendronis lacrymosa	498
nana	498
Denhardt, Gustav, reptiles collected by	711
Desmodus, measurement of membranes	7
Devonian plants from New York	105
Diatomaceæ, Albert Mann on	303
Diaz, President Porfirio	773
Dictyotites, new genus of fossil plant	113
fasciolus, new species	110, 113
maximus, new species	111
Diloma (Chlorodiloma) ruderata, new species	476
Diomedeidæ of Alaska	663
Dione affinis	101
Dioonites Buchianus angustifolius	265
Buchianus rarinervis, new variety	264
Dunkerianus	265
Diplax dilatata, new species	582
Diplodactylus inexpectatus, new species	714
Diptera from West Africa	572
Discosoma fuegiensis	200
Discosomidæ, characters of	199
Distant, M., quoted	45
Doherty, William, Javan insects collected by	570
Dolabella californica	341
Dolichonyx oryzivorus	496
Dolichopodidæ from West Africa	573
Dormitator, Central American species of	60
Dorippidæ, new species of	258
Dorosoma, Central American species of	56
Dorosomidæ, Central American genera of	56
Dosinia discus	753
Dresser, H. E., on gray shrike	217
Dryobates japonicus	630
scalaris bairdi	785
Dryophyllum aquamarum from Wyoming	35
Dytiscidæ from West Africa	573

E.

Ebalia americana, new species	254
Ecandata	737
Eckstein, Dr., U. S. Navy	68
Edwardsiæ, tribe of Actiniæ	135, 206
Edwardsia intermedia, new species	136
Eigenmann, Carl H., on fresh-water fishes of Central America	53
Elainea pagana subpagana	505
Elanoides forficatus	521
Elateridæ from West Africa	575
Eleopicus caboti	519
Eleotris, Central American species of	60
Ellomys parvus, new species	601
Emberiza ciopsis ijimæ, new subspecies	627

	Page.
Emberiza personata	637
Embernagra striaticeps	493
Embolemus	568
Empidonax acadicus	506
flaviventris (?)	506
griseus	783
hammondii	783
pusillus traillii	506
wrightii	783
Endomychidæ from West Africa	577
Engina, species of, from Galapagos Islands	389
Engyptila cassini	523
Epeira eclipsis, new species	590
Epilobocera	657
granulata	569
haytensis	658
Epomophorus, measurement of membranes	7
Equisetum texense, new species	263
Eremias sextæniata, new species	718
Eribates	606
Ericerus, new genus	223
latimanus, new species	224
Erileptus, new genus	226
spinosus, new species	227
Eriphia gonagra	536
Erismatura rubida	789
Ethusa lata, new species	258
Euchromia leonis	572
sperchina	572
Eucorystes nagleri	493
Euderma, characters of	28
Eulamia, Mexican species of	54
Eumenes æthiopica	567
Eumenidæ, from West Africa	567
Euphædra cyparissa	571
Euphonia gouldi	488
hirundinacea	488
luteicapilla	488
Euprognatha bifida, new species	230
Eremias brenneri	719
hœhneli, new species	719
Eurynome aspera	89
longimana	102, 104
Eurystomos calonyx	627
Euthlypis lachrymosa	778

F.

Falco albigularis	520
sparverius	520
Falconidæ from Alaska	664
from Mexico	787
from Nicaragua	520
Fasciolariidæ	754
from California	344
from Galapagos Islands	389
from West Africa	329
Ficedula ferruginea	633
Fish Commission, collections by	67, 119, 699
crabs collected by	223
mollusks collected by	353
pteropods collected by	451
Fish, new blennoid	699
Fishes, fresh-water, catalogue of Central American	53
Fishes, fresh-water, of South America	53
Fisher, W. J., mollusks collected by	341
Fishery, whale, in Okhotsk Sea	471
Fissurellidæ from Galapagos Islands	403
from West Africa	338
Florida, shell heaps of	695
Florisuga mellivora	517
Fontaine, William Morris, on fossil plants	261
Forficulidæ from West Africa	582
Formicariidæ from Nicaragua	498
Formicarius, key to species of	669
analis	673
cayanensis	670
crissalis	676
hoffmanni	502, 679
revision of genus	667
moniliger	683
nigricapillus	675
nigrifrons	672
pallidus	684
rufipectus	685
saturatus	677
thoracicus	685
umbrosus	681
Formicidæ from West Africa	568
Formicivora boucardi	501
Fort Berthold, fossil plants from	33
Fort Clarke, fossil plants from	33
Fort Union, Montana, fossils from	36
Fossaridæ from West Africa	334
Fossil plants of Montana	33
from New York and Pennsylvania	105
new species of	110
from Texas	261
Fossil shells from Arctic Siberia	471
from Canada	591
Fossils, Glen Rose, table of	280
Foudia aldabrapa, new species	598
Fregatidæ from Nicaragua	532
Frenelopsis Hoheneggeri	275
varians, new species	273
Friedenwald, Dr. H	288
Fringillidæ from Alaska	664
fromCentral Mexico	779
from Nicaragua	491

Platyonychus bipustulatus	537
Platypœcilius, Central American species of	57
Platypsaris albiventris	783
aglaiæ obscurus	612
Plegadis guarauna	788
Pleurotomidæ from Galapagos Islands	387
Podochela lobifrons, new species	226
mexicana, new species	225
tennipes, new species	224
Podozamites acutifolius	266
Pœcilia, Central American species of	57
Polioptila bilineata	482
cærulea obscura	775
Polistes smithii	567
Pollachius chalcogrammus fucensis	315
Pollack, wall-eyed	315
Polyberus cheriway	788
Polyerata amabilis	517
Polygyra	747
Polynices from Galapagos Islands	401
Polyps, classification of	121
Pompilidæ from West Africa	568
Poneridæ from West Africa	568
Populus Meedsii, new fossil plant, description of	34
Porcellanidæ, from Africa	539
Porcellio	541
Porter, Capt. George D., molluska collected by	341
Portunidæ, from Africa	536
new species of	240
Porzana cinereiceps	528
exilis vagans	530
Potamocarcinus	655
nicaraguensis	656
Pottery from Florida shell heaps	696
Pratincola maura	632
Precis amestris	570
Prionirhynchus platyrhynchus	510
Procellariidæ from Alaska	664
Proctotrypidæ, from West Africa	568
Progne chalybea	486
subis hesperia	485
Promops, characters of	28
Prosser, C. S	105, 115
Protactiniæ, tribe of Actiniae	137, 206
Protonotaria citrea	483
Prunella rubida	631
Psaltriparus melanotis iulus, new subspecies	776
Psammophis biseriatus	731
sibilans	731
Pseudagrion, African species of	586
Pseudomicippa varians	92
Pseudoneuroptera from West Africa	582
Pseudothelphusa colombianus	653
dugesi	651
jouyi	649
lamellifrons	654
richmondi	654
terrestris	651
verticalis	652
xantusi	652
Pseudothelphusidæ	649
Pseudoxiphophorus, Central American species of	57
Psilophyton grandis, new species	111, 113
Psittacidæ from Mexico	786
Nicaragua	519
Pteroglossus torquatus	518
Pteropod ooze, contents of	458
Pteropods, of *Albatross* explorations	451
thecosomatous	451
Pteropus, measurement of membranes of	7

	Page.
Pteropus, aldabrensis, new species	533
Pterospermites Cupanioides, description of	35
Ptinidæ from West Africa	575
Pugettia dalli, new species	232
Pulmonata-Geophila	743
Pulmonata-Hygrophila	752
Purpura, species of, from Galapagos Islands	392
hippocastanum	347
Pycnanthus, new genus	172
maliformis, new species	172
Pygmornis adolphi	516
Pyrameis cardui	570
Pyramidellidæ from West Africa	332
Pyrgisoma rubricatum	780
Pyrgomorphidæ from West Africa	581
Pyria cyneca	568
Pyroceobaius rubineus mexicanus	783
Pyrrhocoridæ from West Africa	578
Pyrrhuloxia sinuata	779

Q.

Quails, Japanese	765
Quercus dentoni, from Dakota	35
Quiscalus macrourus	496, 781

R.

Rallidæ from Nicaragua	528
Ralph, Dr. Wm. L., birds collected by	092
Ramphastidæ from Nicaragua	518
Ramphastos brevicarinatus	518
tocard	518
Kamphocænus rufiventris	507
Ramphocelus passerinii	489
Rana mascareniensis	738
Randallia distincta, new species	257
Ranella cruentata	347
Rapp, classification of polyps by	121
Rathbun, Mary J., on new species of crabs	649
on crabs of family Matidæ	63
on new genera and species of crabs	223
Raynolds, Capt. W. F., explorations by	33
Read, Charles H., on throwing-sticks	220
Recurvirostridæ from Mexico	791
Nicaragua	526
Reduviidæ from West Africa	578
Regulus calendula	775
Reibisch, vol Paul, on Galapagos mollusks	411
Remipes scutellatus	539
Reptiles and batrachians, new species	711
new species from Mexico	37
Reptilia from Mount Orizaba, Mexico	40
Rhamdella, Central American species of	54
Rhamphiophis rostratus	733
Rhinopoma, measurement of membrane	7
Rhipidoglossa	752
from Galapagos Islands	403
Rhipidophoridæ from West Africa	576
Rhizopoda of *Albatross* explorations	457
Rhodinocichla rosea	609
Rhopalocera	568
Rhynchocyclus rinereiceps	506
Rhynchonycteris, measurement of membranes	7
Richmond, Charles W., on birds from Nicaragua	479
Richmond, W. L	481
Ridgway, Robert	481, 605
on Alaskan birds	663
on birds from Aldabra Island	597
on birds from Costa Rica	609
on genus Formicarius	667
on new species of bird	469
on new species of swifts	43
on new storm petrel	687
on new subspecies of Geothlypis	691
Riley, C. V	45, 703
new species dedicated to	52
Riopa sundevallii	722
Risley, Sam. A	481
Rissoidæ from Galapagos Islands	377
Rodgers, Capt., crabs collected by	96
Rodgers exploring expedition	472
Reestes, Central American species of	56
Rougetius aldabranus, new species	598
Rupornis ruficauda	521

S.

Sagastia crispata	181
lactea, new species	176
paradoxa, new species	180
Sancti-Matthæi, new species	179
Sagastidæ, characters of	175
Salamanders from Mount Orizaba	37
Saltator atriceps	491
grandis	491
magnoides	491
Salvin, Osbert	481
Sandwich Islands, new species of crabs from	223
Satyridæ from West Africa	571
Sauri from East Africa	714
Sayornis nigricans	782
Scarabæidæ from West Africa	574
Scardafella inca	789
Sceloparus æneus from Mexico	40
microlepidotus from Mexico	41
variabilis from Mexico	40
Schizophrys aspera	91
Schizophrysinæ, key to genera of	65
Schizostoma, measurement of membranes	7
Sclater, P. L	481
Scleroplax, new genus	250
granulatus, new species	251
Sclerurus canigularis	613
guatemalensis	498
Scollick, J. W., on gelatin casts	61
Scolopacidæ of Alaska	664
from Mexico	791
from Nicaragua	526
Scolopendra morsitans	708

	Page.
Scoville expedition to Mount Orizaba	37
Scutibranchiata	752
Scyra acutifrons, distribution of	88
compressipes	100
Scytalopus argentifrons	613
Seiurus aurocapillus	484
motacilla	484
noveboracensis notabilis	484
Selenocosmia nigroventris, new species	587
Selenops brownii, new species	589
Semele Stimpsoni, new species	473
Sepiidæ from West Africa	339
Septifer Cumingianus	373
Sequoia pagiophylloides, new species	276
Sesarma africana	538
Setophaga ruticilla	485
Seychelle Islands, reptiles from	711
Shell heaps of East Florida	695
Shells, collections of	743
fossil, from Arctic Siberia	471
Canada	591
Shofar and its uses, Adler on	287
Shrike, gray, status of	217
Sialia mexicana	775
Siberia, crabs from	97
Siberia, Arctic, subtropical fauna of	471
Siberian tropical miocene fossils	478
Sicyopterus, Central American species of	60
Siluridæ, Mexican species of	54
Simocephalus chanleri, new species	726
Simpson, Charles T., on fossil unios	591
Sinea Rileyi, new species	51
Siphonaria penjinæ, new species	475
(Williamia) peltoides	384
Sitomys decolorus, new species	689
Sitta carolinensis aculeata	776
Sittidæ from Central Mexico	776
Smith, E. A	474
on Galapagos mollusks	407
Smith, Prof. H. L	304
Snails, land, vitality of	366
Snakes, new species of	709
South, Dr. J. F	693
South America, fresh-water fishes of	53
Spelerpes bellii from Mexico	37
gibbicaudus, new species of Mexican salamander	38
orizabensis, new species of Mexican salamander	38
Spiocarcinus granulimanus, new species	242
Speotyto cunicularia hypogæa	787
Sphæroma	541
Sphæromidæ from Africa	541
Sphecidæ from West Africa	567
Sphenocarcinus agassizi, new species	232
Sphenolepidium Sternbergianum densifolium	268
Sphenopteris valdensis	263
Sphex	567
Sphingidæ from West Africa	572
Sphyrapicus varius	785
Spinus psaltria croceus, new subspecies	780
mexicanus	780
Spirostreptus variabilis	703
Spirula peronii	755
Spirulidæ	755
from West Africa	339
Spitzbergen, crabs from	68
Spizella breweri	779
Sporophila corvina	492
torqueola	779
Squires, L. M	102
Stäl, Prof., quoted	45
Staphylinidæ from West Africa	574
Stearns, Robert E. C., on mollusks of Galapagos Islands	353
on West African mollusks	317
on West coast mollusks	341
on shells	743
Stejneger, Leonhard	37
on gray shrike	217
on Japanese birds	615
on Japanese quails	765
on New Californian lizard	467
on new species of blind snakes	709
on reptiles and batrachians from Africa	711
Stelgidopteryx uropygialis	486
Stenogyridæ from West Africa	326
Stephanactis, genus of actiniæ	194
hyalonematis, new species	193
Stercorariidæ of Alaska	603
Stercorarius pomarinus	616
Sternothærus nigricans	713
Stevens, Lieut. H. K	472
Stichodactylinæ	198
Stimpson, Dr. William	63
on crustacea of North Pacific	95
Streblognathus æthiopicus	568
Strigatella tristis	388
Strigidæ from Mexico	787
Nicaragua	520
Strix pratincola	787
guatemalæ	520
Strombidæ from West Africa	332
Sturnella magna neglecta	781
Sturnia sinensis	637
Succinea	751
Bettii	383
concordialis	752
Salleana	751
Succinidæ from West Africa	327
Succiniidæ	751
Sula abbotti, new species	599
Sulidæ from Nicaragua	531
Sumichrast, Prof	38
Swifts, new species of	43
Sylvania mitrata	485
pusilla pileolata	777
Sylviidæ from Alaska	665
from Central Mexico	775
from Nicaragua	482
Synagris æquatorialis	567
calfida	567

Synotus, characters of 30
Syntomis huhlweinii 572
Syrnium perspicillatum 520
uralense 626
virgatum 520
